Services webpages. Appendix 1 shows the minimum entry requirements for undergraduate courses, including requirements for 'mature' students.

6.2 The University of Worcester does not intend to use the English Baccalaureate as an entry requirement. Level 2 qualifications may be considered by admissions tutors as part of their assessment of each applicant's academic aptitude, and we would generally expect a wide range of GCSEs or other level 2 qualifications at good grades. Where there are specific subject or grade requirements, these will be clearly stated in the relevant prospectus entry.

- 12.2 If an applicant is unable to provide the requested documentary evidence, the University reserves the right to cancel the application and withdraw the offer of a place on the course.
- 13.1 It is important that applicants include all relevant information on their application form, without any omissions.

  - b) the Assistant Registrar (Recruitment & Admissions) will discuss the case with the Academic Registrar, and other relevant staff, where appropriate to ensure the safety and well-being of University staff and students, the security of University property, to protect the University's reputation and public standing and to carry out our legal responsibilities and duties.
  - c) Where the course is accredited by a Professional Body, the Admissions Tutor will also be consulted about the suitability of the applicant.
  - d) where admission to the programme is denied on the basis of the conviction, the applicant will be notified of the decision in writing.

- 21.3 This means that, for applicants who find themselves in this position, the University may have to charge a higher fee level, to make up the difference in funding that no longer comes from the government.
- 21.4 For 'ELQ' entrants in 2010, the University will not be charging higher fees, but such students will not be entitled to receive a University bursary. This will be reviewed in subsequent years in accordance with the conditions at the time.
- 21.5 The government has also agreed a number of exemptions to this policy. For further information about ELQ and current exemptions, please contact the Admissions Office admissions@worc.ac.uk
- Applications to University courses will be assessed purely on academic grounds. A disabled applicant's merits are assessed as they would be if any reasonable adjustments had been made. In some instances, an Admissions Tutor may need to seek additional information from the student and/or liaise with the Disability and Dyslexia Service for the purposes of establishing if adjustments might be appropriate to support a student.
- The Admissions Office will provide the Disability & Dyslexia Service with electronic copies of application forms via SOLE for all successful applicants who choose the UniversitW7 66l6 91 70ilcests

- 25.3 If an applicant wishes to make a complaint:
